

Coord2D.hpp

```
graph BT; Coord2D_ipp[Coord2D.ipp] --> Coord2D_hpp[Coord2D.hpp];
```

A diagram illustrating a C++ header and implementation file relationship. At the top is a gray rectangular box labeled 'Coord2D.hpp'. Below it is a white rectangular box labeled 'Coord2D.ipp'. A blue arrow points vertically from the top center of the 'Coord2D.ipp' box to the bottom center of the 'Coord2D.hpp' box, indicating that the implementation file includes the header file.

Coord2D.ipp
